

JORDAN: Rossi, check. And Kelso, check.

NIGEL: Okay, here a check, there a check, and done.

JORDAN: So who is she?

NIGEL: Who's who?

JORDAN: The one putting that skip in your step.

BUG: Hey. Anyone up for a little all you can eat at the Beef and Brew?

JORDAN: Ooh, sounds good to me. Nige?

NIGEL: Sorry, can't. Rain check?

BUG: Ahh, first it was the faint waft of cologne over your usual iodine scrub scent...

JORDAN: And now he has another rain check.

NIGEL: Look, guys, can we just...

JORDAN: The question is why the big secret? You're always the first to kiss and tell.

BUG: This person must be special.

JORDAN: Or maybe he's back with that dancer?

NIGEL: I can assure you I'm not back with Velvet.

JORDAN: Uh-huh. You are with someone.

NIGEL: You wonder why she's a secret. Sorry, I'm late.

CAM: You're worth waiting for.

MADDIE: Nigel!

NIGEL: Hey.

MADDIE: I made you cupcakes.

NIGEL: You made me cupcakes? I love cupcakes. Come on, Maddie. Now watch the queen. I'm gonna make it disappear. Ready? One, two, three. It's gone.

ANGELA: Do you have any single brothers, Nigel?

CAM: Or maybe a handsome friend at the morgue we could introduce to her?

ANGELA: Oh, wait, wait, wait. No, no, no. No guys from the morgue.

CAM: Oh, so it's okay for me and not you?

ANGELA: No offense, Nigel, but I could never marry anyone in your line of work.

MADDIE: You're gonna marry Nigel, mummy?

CAM: Oh, uh, mummy's not remarrying anytime soon, baby.

ANGELA: Uh, more rum punch, anyone?

NIGEL: No, no, please. I'm already seeing stars.

CAM: Okay, bedtime, pumpkin. Go put on your PJs.

MADDIE: Night.

NIGEL: Night.

ANGELA: Okay, I've seen enough. He can stay. Cam deserves a good guy.

CAM: Goodnight, Angela.

NIGEL: Cam! Cam!

CAM: What?

NIGEL: Cam!

CAM: What? Oh my god. Ma-Maddie? Ma-Maddie? Maddie! Maddie!
